

STUFF MANAGEMENT

New from SoHo

A PENCIL BOX WITH PUNCH!

Anti-microbial Protection Added
Stuff Management Brand pencil box has incorporated the technology of anti-microbial protection to inhibit the growth of bacteria, mold, and mildew. This EPA registered additive will last the life of the produce.

SoHo introduces the first pencil box with more than storage in mind. The pencil box that set the standard in the industry now is available with MicroCARE, the anti-microbial infused throughout the box.

MicroCARE

Completely embedded into the plastic during manufacturing. Anti-microbial technology is designed to protect the products surface and does not extend protection to the items inside or to the skin,
